Amy,

Do you guys mind if I submit both sets of responses on the same day the Dean Services ones are due? Right now the due date for the Deans is a couple days before since that one made it to me.

Attached is a copy of the letter mailed to your address on August 25, 2015. The tracking on the letter indicated that a notice of a certified letter was delivered to your address on August 28, 2015. Since the letter was not delivered, this will serve as receipt of the letter for Dean Services West. Dean Services West has 30 days from this date, September 3, 2015, to respond to the 104(e) request. Thank you for your time and attention on this matter.

Sincerely,
Amy Salinas
